- 11) 2015, Co-organizer (with A. Borghini, C. Calosi, P. Graziani) of the International Workshop “Evaluating Biodiversity”, University of Urbino, June 22-23.
- 12) 2013, Member of the organizing committee of the International Conference “Philosophy of Science in the 21st Century – Challenges and Tasks”, Lisbon, December 4-6.
- 13) 2012, Co-organizer (with P. Huneman) of the “Atelier interdisciplinaire. La biodiversité. Enjeux éthiques, philosophiques et scientifiques”, IHPST, Paris, 23rd of February.

Organization of National Seminars, Workshops, & Reading Groups

- 1) 2016-19, Co-organizer (with Vera Tripodi) of the LabOnt Seminar, Faculty of Philosophy and Educational Sciences, University of Turin.
- 2) 2016-19, Organizer of the BIODECON Seminar, Faculty of Science, University of Lisbon.
- 3) 2016-17, Co-organizer of the EXSY - Extended Synthesis reading group (with D. Vecchi and N. Gontier), CFCUL, University of Lisbon.
- 4) 2013, Organizer of the Symposium: “Understanding and Conserving Biodiversity”.
Participants: Jorge Marques da Silva, Nathalie Gontier, Luís Borda-de-Água, University of Lisbon, 6th of December.
- 5) 2010, Co-organizer of “Monumentum.doc: 11th Annual LabOnt Workshop”, Turin, January 11-12.

Teaching

> Academic Year 2022/2023

First semester, Philosophy of Biology, University of Turin [36 hours, 6 credits, language: English]

First semester, September 15, “Al di là dell’adattamento: la costruzione dell’ambiente umano”, Lesson at the CeSPeC Summer School, Cuneo

Second semester, Filosofia della natura, University of Turin [36 hours, 6 credits, language: Italian]

Second semester, Ambiente ed etica, University of Turin [together with Emilio Corriero, 36 hours (18 each), 6 credits, language: Italian]

> Academic Year 2021/2022

First semester, Philosophy of Biology, University of Turin [36 hours, 6 credits, language: English]

First semester, November 9, “Philosophy of Biodiversity”, Lesson at the Master UCA MARRES - Université Côte d'Azur [2h, language: English]

Second semester, Filosofia della natura, University of Turin [36 hours, 6 credits, language: Italian]

Second semester, Ambiente ed etica, University of Turin [together with Emilio Corriero, 36 hours (18 each), 6 credits, language: Italian]

> Academic Year 2020/2021

First semester, Philosophy of Biology, University of Turin [36 hours, 6 credits, language: English]

First semester, November 17, “Philosophy of Biodiversity”, Lesson at the Master UCA MARRES - Université Côte d'Azur [2h, language: English]

Second semester, Filosofia della natura, University of Turin [36 hours, 6 credits, language: Italian]

Second semester, Ambiente ed etica, University of Turin [together with Emilio Corriero, 36 hours (18 each), 6 credits, language: Italian]

> Academic Year 2019/2020

First semester, Philosophy of Nature, University of Turin [36 hours, 6 credits, language: English]

> Academic Year 2018/2019

Second semester, Laboratorio di scrittura [together with Emilio Corriero; 9 hours, 3 credits, language: Italian]

Second semester, Lesson at the Summer School in Media Ecology e Comunicazione Digitale, “Il giornalismo scientifico e la narrativa delle news” (Camogli, 9-22 June), June 11th [2h, language: Italian]

First semester, Philosophy of Biology, University of Turin [36 hours, 6 credits, language: English]

First semester, Filosofia della natura, University of Turin [36 hours, 6 credits, language: Italian]

> Academic Year 2017/2018

PhD seminar [cycle XXXIII]: “I Natural Kind nel mondo del vivente: premesse, implicazioni, problemi”, Vita Salute San Raffaele University, 9-10-11 aprile 2018 [9 hours, language: Italian]

> Academic Year 2016/17

Second semester, Adjunct Professor of “Philosophy of Science”, Politecnico of Turin [60 hours, 6 credits, language: Italian].

First semester, Teaching assistant, “Ontology. Emergence, Documentality, Intentionality”, Prof. M. Ferraris, University of Turin [Language: English].

> Academic Year 2014/15

First semester, Teaching Module “Contemporary Debates in Philosophy of Biology” as a part of the Minor in History and Philosophy of Science “Themes of the Contemporary Philosophy of Science” (Professor O. Pombo), Faculty of Science, University of Lisbon. [20 hours, language: English].

> Academic Year 2013/14

Second semester, Teaching Module “Some Metaphysical Problems in Biology” as a part of the Master Course in History and Philosophy of Science “Themes and problems of contemporary Philosophy of Science” (Professor O. Pombo), Faculty of Science, University of Lisbon. [9 hours, language: English]

23-27 of September, Doctoral Course “Temi di metafisica della biologia tra scienza e società”, Scuola di dottorato in Studi Umanistici, University of Turin. [30 hours, language: Italian]

Students’ Supervision

Post-doc

1) From June 2016 to September 2017, (Post-doc Supervisor) Silvia Di Marco (BIODECON Project), “Which biodiversity definition for biodiversity conservation?”, University of Lisbon.

2) From March 2017 to February 2018, (Post-doc Supervisor) Carina Silva (BIODECON Project), “Which biodiversity definition for biodiversity conservation?”, University of Lisbon.

Doctoral student

From January 2022, Supervisor of Lara Barbara, “Dall’equilibrio della natura alla resilienza dei sistemi socio-ecologici”, FINO Doctoral Program (PON “Ricerca e Innovazione” 2014-2020, Asse IV “Istruzione e ricerca per il recupero”, Azione IV.5 “Dottorati su tematiche green”).
