📍 Address: Via Giacinto Gallina, 3 Unit 1, 10154 Turin (Italy)

WORK EXPERIENCE

Ph.D Student

Università degli Studi di Torino [01/11/2022 – Current]

City: Turin

Country: Italy

National PhD program *Sustainable Development and Climate Change*

Research project: *The Transformation of Work*

Junior Consultant | ESG Climate Change

PwC Italy [16/05/2022 – 15/10/2022]

City: Milan

Country: Italy

Young Researcher

Water To Food [28/02/2022 – Current]

City: Turin

Country: Italy

Research Fellow

Politecnico di Torino [16/02/2022 – 16/06/2022]

City: Turin

Country: Italy

Research topic: Climate change and socio-economic scenarios of agricultural production on the African continent

PUBLICATIONS

Future crop water footprint scenarios across the African continent

In preparation, V. Giordano, M. Tuninetti, F. Laio

Solar irrigation in sub-Saharan Africa: economic feasibility and development potential

In preparation, G. Falchetta, F. Semeria, M. Tuninetti, V. Giordano, S. Pachauri and E. Byers

CONFERENCES AND SEMINARS

AGU (American Geophysical Union) Fall Meeting - Presenting Author

[McCormick Place Convention Center, Chicago, IL, 12/12/2022 – 16/12/2022]

Future Scenarios of Crop Water Footprint Across the African Continent

Presenting Author: Vittorio Giordano

Authors: Marta Tuninetti, Francesco Laio

<https://www.agu.org/Fall-Meeting>

EDUCATION AND TRAINING

Master's Degree in Environmental And Land Engineering

Politecnico di Torino [17/10/2019 – 05/12/2021]

Address: Turin (Italy)

Field(s) of study: Environmental Engineering , Climate change

Final grade : 110 cum laude

Thesis: Future crop water footprint scenarios across the African continent - Assessing the impacts of climate change and advanced management strategies on agriculture, production and water resources

INTERNATIONAL EXPERIENCES

E+/EU PROGRAMME COUNTRIES

[14/08/2020 – 09/06/2021]
